

Volunteer Equal Opportunities Form

Span Arts keep records of volunteers to support our equal opportunities policy, and to report back to our funders. We can find someone to help you with the form if you like

This document will be kept separate from your file. The information you provide will be treated in the strictest confidence and will not be available to Span Arts staff, except in statistics. If you don't like the choices we have given, write in what you would like – we know this is not a perfect form, but it helps us with our programme, and with funding. You don't have to fill in the form if you don't want to, you can fill in some parts and not others.
